FRAGMENTS & FABRICATIONS

BRADBURY ART MUSEUM
APRIL 13 - MAY 31, 2023

“As a multidisciplinary artist, I am interested in exploring the notions of authenticity, place and identity using familiar materials to make large-scale installations, sculptures and paintings. My interest in art history, Latinx culture, community, celebration, home and my obsession with pop-culture inform my practice with the intention of dismantling institutional hierarchies.”

- Justin Favela

Based in Las Vegas, Nevada, and known for large-scale installations and sculptures that manifest his interactions with American pop culture and the Latinx experience, Justin Favela has exhibited his work both internationally and across the United States. His installations have been commissioned by museums including the Denver Art Museum in Colorado, Crystal Bridges Museum of American Art in Arkansas and El Museo del Barrio in New York. He is the recipient of the 2021 Joan Mitchell Foundation Fellowship. He holds a BFA in fine art from the University of Nevada, Las Vegas.
